GOVERNOR ANNOUNCES VOLUNTEER SERVICE AWARD WINNERS

Governor Jan Brewer and the Governor's Commission on Service and Volunteerism have announced the winners of the 8th Annual Volunteer Service Awards. Ten recipients will be honored with the award, which is considered to be the highest volunteer award in the state.

The Volunteer Service Awards were established in 2002 to recognize and thank Arizonans who have given their time and talents to help solve social problems. The Commission received over 120 nominations from around the state. Each of the individuals and groups nominated for an award demonstrated exceptional service to communities throughout Arizona last year.

A winner was selected in each of 10 categories. A panel of statewide judges selected the recipients based on need, action, innovation and impact. The winners will be honored at a luncheon hosted by the Governor's Commission on Service and Volunteerism at the Phoenix Art Museum on April 29.

Sponsors of the Governor's Volunteer Service Awards include SCF Arizona, US Airways, Comcast and a number of other businesses and organizations that are ardent supporters of service and volunteerism in Arizona.
